BUAD 275: INNOVATION, CREATIVITY, AND ENTREPRENEURSHIP—MINDSET

THROUGH WESTERN STATE COLORADO UNIVERSITY

The Innovation, Creativity, and Entrepreneurship (ICE) mindset comprises the underlying beliefs and assumptions that drive the behavior enabling people to create positive change. This course takes the approach that anyone (not just those who want to start businesses) can benefit from understanding and applying an ICE mindset to any situation that demands change in their lives. Students are immersed in learning about the fundamental aspects of an ICE mindset and the unlimited opportunities it can provide.
