## E-LEARNING, HYBRID, AND SYNCHRONOUS SCHEDULE FALL 2020

Below, please find Liberty High School's Fall 2020 eLearning, hybrid, and synchronous learning schedule. The hybrid aspect of the learning schedule will allow students to attend classes in person twice per week and virtually/synchronously three times per week. Students have the option of attending all classes virtually but will **NOT** be permitted to attend any or all classes in person more than twice per week due to social distancing requirements. *Case by case exceptions may be made for students to attend in person more than twice per week with principal only approval.*

Hybrid students will be broken up into two groups – **TEAM LIBERTY** (Group A) and **TEAM LANCERS** (Group B). Our master scheduling administrator will determine which group the students will be in based on balancing courses and the overall master schedule. Students are **NOT** permitted to change groups without permission from the master scheduling administrator and the principal.
