Student Check-In days will be held on August 17-20th. Whether students are Hybrid, Synchronous, or Accelerate they need to come to check in. We are dedicating 1 day to each grade level. Attached is each student's schedule which is listed by student ID numbers. It is imperative that students come **ONLY** during their assigned time to ensure we maintain CDC guidelines. If circumstances absolutely will not allow a student to come during their assigned time, please contact Karla Teeples at [karla.teeples@asd20.org](mailto:karla.teeples@asd20.org). However, we ask that you do your best to come during your scheduled time. **Our bookkeeper will be available to accept payments via credit or debit card ONLY**. We will not be accepting cash or check. Payments can be made from home, by visiting [Payforit.net](https://payforit.net) . **STUDENTS MUST WEAR A MASK OR FACE COVERING TO THE CHECK IN DAYS.**
