MEMORANDUM

TO: Visitors and Staff Members
Liberty High School

FROM: Dave Arnold
FM Supervisor- Compliance/Grounds

DATE: August 21, 2026

SUBJECT: Asbestos Update

In 1986 the Asbestos Hazard Emergency Response Act (AHERA) was signed into law requiring all non-profit Public and Private Schools (K-12) to inspect for the presence of Asbestos Containing Building Materials (ACBM). Academy District 20 has completed the initial inspection on all buildings in the district and continues to monitor the status of any materials that were found during inspections.

Construction of your building was completed on July 1987, and no asbestos containing materials were specified for use in construction. Academy District 20 is committed to providing a safe and healthy environment for our students and the staff. Please contact the Facilities Management at 719-234-1500 to discuss your thoughts and concerns regarding asbestos.
